FOREWORD

Life in society is governed by rules that define the obligations and rights between men and women in their daily relationships. The rules determine the rights and duties of each other. This is the marriage case, where the responsibilities and obligations of men and women are established.

Apostle Paul says in his epistle that, an athlete is not crowned unless he competes according to the rules. God is a God of Covenants from the creation. Having created humanity, God establishes rules that are known as a Covenant. Why does He proceed by Covenant? Covenants govern the relationship between man and him. God does nothing without a Covenant.

Aaron Kimbati is a man of God who is deeply immersed in the Holy Scriptures with the purpose of enlightening the areas of ignorance. He has taken this step to demonstrate that the starting point in relationship with God is the Covenant. It is clear that our Father is a God of order so He wants his children to know what He wants and how they can interact with Him in their relationship. That is the purpose of this book where the author aims to unveil the mysteries hidden in the

Covenants.

According to the Dictionary Le Petit Larousse Illustré, a mystery is inexplicable, hidden, and unknown. The truth of faith is inaccessible to human reason alone and can only be known by divine revelation. This is precisely what the author exposes in this book.

I have read the book and I sincerely recommend it to those seeking God's favours and it is provided to those who comply with His Covenant. I do understand the value of this instrument in which the author examines and exposes the Key Divine Covenants and the consequences of violating them. He goes even by providing some principles for keeping the Covenant with God in order to enjoy His blessings and avoid the consequences that flow from it.

It is my sincere prayer that this book will prove to be a tremendous blessing not only to those who believe in God but also to those who are struggling to enjoy life, who feel held back, and who are perplexed as to why they suffer through adversity without purpose or energy. You are seeking a breakthrough in your lives, get a copy of this book.

INTRODUCTION

I used to write the books, but each book has a special message and special objective. It is important to enlighten in introduction the purpose of the current book.

The Bible being the Word of God still has unveiled truths that need to be clarified by the help of Holy Spirit. Behind any covenant, there is a mystery. What is mystery in this topic?

According to the Dictionary Le Petit Larousse Illustré, a mystery is inexplicable, hidden, and unknown. The truth of faith is inaccessible to human reason alone and can only be known by divine revelation. In today's world, some rules govern the relationship between the Creator and His creatures, on the one hand, and between the creatures themselves, on the other hand. These rules are defined by the reciprocity of obligations that maintain balance in relationships.

The reason I wrote this book, even though there are loads of books on the subject, is to emphasize the insights and the fact that our God is a God of Covenant. Those who keep the Covenants are welcomed as Promises takers.

THE MYSTERIES OF KEY DIVINE COVENANTS

I am talking about these Covenants as stated in the Bible and how God wants us to keep the Covenants to enjoy His blessings.

You will find in this book developed the following points:

- Covenants and their origins.

- The clauses of the Covenant.

- The requirements of the Covenant.

- The seven Key divine Covenants.

- The Adamic Covenant.

- The Noachic Covenant.

- The Abrahamic Covenant.

- The Hebrew Covenant.

- The Levitical Covenant.

- The Davidic Covenant.

- The Eternal or Christological Covenant.

- The benefits of the Covenant.

How do we bring a promise to become a Covenant with God? How to keep the Covenant?

CHAPTER 1

SEVEN KEY DIVINE COVENANTS

A Mystery according to the Dictionary Le Petit Larousse Illustré means that which is inexplicable, hidden, unknown. Truth of faith inaccessible to human reason alone and which can only be known by divine revelation.

The best way to make me understand is to bring light so the readers can understand the central concepts, which also contain the mystery: mystery and covenant.

According to different books explaining this word, it is the covenant is an agreement or pact made by two or more people to settle their relationship. They make binding promises to each other to work together to reach a common goal. In this agreement, the obligations of each party and the resulting profits are clearly defined. The The oath is a cache of the jurisdiction of the Covenant in a case. In other words,
