"Architecture is a wonderful expression of the discovery process. It's like a scientist who doesn't know the answer, but knows the path to it. That's what drives me: the joy of the path, the discovery."

Glenn Murcutt Architect, winner of the 2002 Pritzker Architecture Prize

**"The publication of this book was financed by the Hassan
Ier University fund for scientific research. "**

A My

Dedication

Dedication

I dedicate this modest work to my dearest parents, the first ones who encouraged and supported me during this long way.

**

Thanks

"Praise be to GOD, lord and master of the
universes".

I would like to express my thanks to a whole world
of people who have made this study possible and
who have contributed to its elaboration in any
form.

I address myself to GOD, the almighty, to thank
him for having given me the courage, the support,
the patience to carry out this work.
